Sir,

In continuation of this Office letter No.6182 of 13th October 1927, enclosing a form of statement "A" respecting the vacancies of certain Demonstrators in the Medical College for being re-advertised through the Central Recruitment Board, I am directed to state that no applications were received for the vacancies (vide letters Nos.1505 and 1506 dated 18th November 1927 from the Secretary, Central Recruitment Board) even after the second advertisement.

The Principal, Medical College, who was consulted, pursuant to the above letters from the Secretary, Central Recruitment Board, as to the vacanci being advertised again and arrangements for conduct of work, reports in his letter No.294 of 24/25th November 1927(vide copy enclosed) that the existing temporary arrangements as noted therein may continue till the end of the current official year without any disturbance, that the posts may be re-advertised in April next and the new appointments made from the beginning of the next official year.

Of the five posts mentioned in the Principal's letter Sl.Nos.1,2 & 4 relate to the vacancies re-advertised(vide this office letter of 13th October 1927 above referred to)sl.No.5 is one of the new posts sanctioned in Government Order No.B.52-4/Uni.85-27-2, dated 8th October 1927. This was also advertised through the Central Recruitment Board(vide this office letter No.7184 of

31st October 1927) but no applications have been received (vide letter No.1613 dated 29th November 1927 from the Secretary,Central Recruitment Board)Sl.No.3 refers to a vacancy which occurred before the present advertisements. In all there are five Demonstrators' posts in the College which are held temporarily by persons as detailed in the Principal's letter excluding the post of Demonstrator in Surgery held by Dr.V.V.Monteiro(vide G.O.of 8th October 1927 referred to above).

In view of the circumstances stated in the Principal's letter, the existing temporary arrangements are allowed to be continued till end of the current official year pending advertisement of the posts again in April 27 and selection of candidates to be appointed from next year.

I am accordingly to request that you will be so good as to obtain kind orders of Government permitting temporary arrangements as above till end of the current official year without the vacancies being advertised at the end of 3 months.

I have the honour to be,

Sir,

Your most obedient servant,

B Th. Sukantha

Letter No.294, dated 24th/25th November 1927, from the Principal,Medical College,Bangalore,to the Registrar,Mysore University:

With reference to your letters Nos.8902 and 8903,dated 23rd instant, respectively, I have the honour to state that advertising of the posts referred to therein after three months would not only tend to dislocate the present arrangement but would also impair the efficiency of the work. Moreover the pay of the present Demonstrators' posts is so low that it is not possible to secure the services of suitable men. I would therefore suggest that the existing temporary arrangements

x as noted in the margin may continue till the end of the current official year without any disturbance. These posts may however be readvertised in April next and appointments made from the beginning of the next official year.
